

Implementation Plan for 2nd Edition of the Ayurveda Hospital Accreditation Standards

- Release date: **1st April, 2016.**
- **'Effective Date of Implementation': 1st April 2017.** This date would mean:
 - a) For hospitals already accredited, this is the date by which they must be in full compliance with **Second Edition.**
 - b) For Hospitals seeking accreditation for the first time, this indicates the date after which all assessments and accreditation decisions will be based on **Second Edition**
 - c) Any assessment and accreditation decisions **before 1st April 2017** will be based on **First Edition.** However, such hospitals shall be required to complying with the **Second Edition** in next six months from the date of accreditation.
- **Complete transition by September 30th, 2017.**
