GENERAL INFORMATION ON EX-SERVICEMEN CONTRIBUTORY HEALTH SCHEME (ECHS)

Introduction

1. The Ex-Servicemen Contributory Health Scheme (ECHS) was approved by the Government on 30 Dec 2002 and was launched on 01 April 2003, ECHS shall also be referred to as the "Scheme" in the text of this Brochure.

Aim

2. The aim of the Scheme is to provide **quality medical care** to Ex-Servicemen pensioners and their dependents for all known diseases.

ECHS Membership Cards

3. A 'Smart card' called "ECHS membership card" with inbuilt security features is issued to all members of the ECHS. The smart cards have the particulars of the pensioner in the front of the card and the particulars of the dependents on the reverse side. It contains a 32Kb chip which will carry the details of the Ex-servicemen and dependents including their medical history. Production of this card is a mandatory requirement when availing medicare either at the ECHS Polyclinic or at Empanelled Hospital/Nursing Homes and Diagnostic centres. A person NOT producing his card for identification cannot be provided treatment.

4. An integrated software has been developed as a Management Information System for running the Scheme. In the first phase the information system will be networked between the ECHS Polyclinics, Station Headquarters, Regional Centre ECHS and Central Organisation ECHS.

Procedure for Availing Treatment

5. An ESM or his dependants or a widow, who has enrolled into the ECHS scheme, can go to the nearest ECHS Polyclinic carrying his/her ECHS membership card. The doctors in the polyclinic will provide the required initial treatment and medicines. Should the disease require further/advanced treatment in a hospital, the patient will be referred to the nearest Service hospital/Empanelled facility.

6. At the Empanelled Hospital/Nursing Homes or Diagnostic Centre/Hospices, the ECHS member is mandatorily required to present his ECHS membership card or receipt of membership application and referral slip, before he/ she can avail treatment facilities. The ESM or his dependant does not have to clear any bills; this will be done by the ECHS.

7. Referrals except in Emergencies will always be made by ECHS Polyclinic. Empanelled Hospitals/Nursing Homes and Diagnostic centres/Hospices will forward their bills directly to the referring Polyclinic. The local/ Army/Navy/Air Force Station Commander in the town / city, under whose jurisdiction the ECHS Polyclinic is located will pay the Empanelled facility after approval of competent financial authority.

8. In Emergencies an ECHS member may be directly admitted to an Empanelled facility. However in all such cases the ECHS Polyclinic will be informed within a period of 48 hours and a formal referral done depending on the condition. Bills in such cases will be processed as above. The onus of providing the information shall be on the Empanelled Hospital/Nursing Home/Diagnostic Centre.

Organisation Structure

9. The scheme is executed through the existing command and control structure of the Armed Forces. Polyclinics are administered by concerned Armed Forces Station Headquarters in the city under supervision of respective Sub-Area/Area/Command HQs of the respective service/nearest city.
